Gemologue Liza Urla 2018-02 -A colorful collection of photographs from GEMOLOGUE by Liza Urla, a leading and much-loved jewelry blog and winner of the Best Blog in the Fashion category at the UK Best Blog Awards 2015 - Liza Urla is considered to be the first jewelry influencer in the world: she started her highly successful award-winning jewelry blog, GEMOLOGUE.com, back in 2009 and since then has worked with countless jewelry brands such as Van Cleef & Arpels, Chanel, Bulgari, Faberge, Buccellati among others and has gained more than 300,000 followers -Combines 'street-style' pictures with Urla's professional styling creations, developed in collaboration with designers from all over the world -Inspirational and eye-catching photographs will be of interest to jewelry enthusiasts from all over the world Did you know that jewelry predates clothes? The oldest known piece is a set of 100, 000-year-old beads, made from Nassarius shells. Liza Urla advises us not to look at the eyes when meeting a new person, but instead to look at their jewelry. She describes it as the ultimate means of self-expression, essential to our identification as humans. "Jewellery is our armour," she says, "and precious stones our amulets." In this book, she journeys from continent to continent, chronicling the pieces that capture her imagination and her heart. Although many of the pictures are from the street, defining the wearer's style on the day they were taken, Urla has been lucky enough to access people's personal jewelry boxes. As she says, the best pieces are always in private collections. Urla's favorite finds are presented alongside her own jewelry styling, in collaboration with various designers from the jungles of Brazil, the beaches of Mexico, or the streets of London, NYC, Paris or Moscow.

This important new book gives collectors the key information to make intelligent buying decisions. It provides specific details on the art, design, style, materials, construction, and signatures, all vital to the identification and dating of Haskell jewelry. It also dispels many of the myths that allow wanna-bes and fakes to flourish. Over 600 beautiful color photographs display the most extensive collection of Haskell jewelry ever brought together. The jewelry is categorized by designer, specifying notable eras. The text provides notations on innovations, style preferences, and in-depth descriptions pointing to key Haskell identifiers. Readers, from casual admirers to serious collectors and dealers, will find in this comprehensive book the essential information and breathtaking pictures they seek.

Pocket Frida Kahlo Wisdom Hardie Grant 2018-07-17 Frida Kahlo is undoubtedly one of the most innovative and influential painters of the 20th century and is widely considered a style icon thanks to her eclectic taste and love for color, print and hauls of jewelry. From a young age, Kahlo forged her own path, overcoming polio as a

child, and stoically battling the after-effects of a tragic road accident that left her with lifelong injuries. Pocket Frida Kahlo Wisdom is an inspiring collection of some of her best quotes on love, style, life, art and more, and celebrates the Mexican icon's immense legacy. "Nothing is worth more than laughter. It is strength to laugh and to abandon oneself, to be light." "The only thing I know is that I paint because I need to, and I paint whatever passes through my head without any other consideration." "I am my own muse, I am the subject I know best. The subject I want to know better."

Chinese Knotting Lydia Chen 2003-08-15 Knotting, "the joining of two cords," is an old and revered art form in China and an integral part of Chinese life. Since ancient times, Chinese knots have been used for a variety of practical and decorative purposes: to record events, aid in fishing and hunting, wrap and tie items, embellish personal attire, jewelry and fashion, ornament other works of art, and communicate. The intricate knot work and magnificent color combinations not only lent elegance to everyday objects, or a touch of gaiety and enchantment, but were an aesthetic expression of Chinese folk symbolism, expressing wishes for good fortune and wealth or the joys of love and marriage. In craft book Chinese Knotting, author Lydia Chen first traces the origins, history, and symbolism of this fascinating craft, before taking the reader through the fundamental elements necessary for tying Chinese decorative knots—the materials, implements, and main processes. Step-by-step instructions are then given for the 11 basic knots, which provide the building blocks for the 14 compound knots—combinations and variations of the simple knots—that follow in the next section. The final section presents 41 knotting projects of varying difficulty. Detailed instructions, clear diagrams, and color photographs, combined with an exciting assortment of creative applications, will help readers discover the relaxation, artistic satisfaction, and beautifully personalized ornamentation that Chinese Knotting can offer.

No Encore! Drew Fortune 2019-07-16 "They hated us and started throwing cups, bottles, change, chairs, and anything that wasn't nailed down." —Dean Ween This hilarious, sometimes horrifying, collection spans four decades and chronicles the craziest, druggiest, and most embarrassing concert moments in music history—direct from the artists who survived them. "In the midst of my insanity, I thought it would be a very romantic gesture to go into Fiona Apple's dressing room and write a message on her wall in my own blood." —Dave Navarro From wardrobe malfunctions to equipment failures, from bad decisions to even worse choices, this is a riveting look into what happens when things go wrong onstage and off. "Ozzy had a sixty-inch teleprompter with the song lyrics, and that got stolen, along with microphones, snare drums and cymbals. Our drummer at the time was stabbing people in the neck with his drumstick." —Zakk Wylde No Encore! is an unflinchingly honest account of the shows that tested the dedication to a dream—from Alice Cooper's python having a violent, gastric malfunction on stage to Lou Barlow's disastrous attempt to sober up at Glastonbury, from Shirley Manson's desperate search for a bathroom to the extraordinary effort made to awaken Al Jourgenson as Ministry was taking the stage. As Hunter S. Thompson famously wrote, "Buy the ticket, take the ride." "I go to exit the venue, and there's 25 people marching towards us. It's about 3:00 AM, and they weren't there to be nice. They were carrying bats, boards, chains, hammers, and they were coming for us." —Dee Snider

Monet Alice Vega 2011 As one of the oldest costume jewelry companies still in existence, Monet has, for almost 70 years, made jewelry that cannot be surpassed for its quality, craftsmanship, and audacious design. Monet: The Master Jewelers is a long overdue, in-depth look at this innovative and enduring company. Through comprehensive research, little known facts about Monet and its founders, Michael and Joseph Chernow, as well as the people behind it, are revealed for the first time. Misconceptions about the company's origins and its early years are finally corrected. This is also a visual celebration of the artistry of Monet jewelry throughout the decades. Delving well beyond basic gold necklaces and earrings, you will be overwhelmed by the diversified and unique styling of the many bracelets, charms, earrings, and necklaces Monet pioneered throughout their long history. The Monet experience is further explored through vintage magazine and newspaper advertisements, patents, rare company and family photos, as well as never-before-published memorabilia from the early Monocraft years. Collectors, dealers, designers, stylists, and anyone with an appreciation of costume jewelry and its history will find this book to be a valuable and must-have reference.

History of Coca W. Golden Mortimer 2000 Originally published in 1901, the following description comes from the first edition: This work, although of a scientific nature, has not been written exclusively for scientists, for the theme is of so universal a scope as to be worthy the attention of all who are concerned in lessening the trials of humanity, or who wish to shape the necessities of life through a more useful and consequently a more happy being. Centuries before the introduction of cocaine to anaesthetic uses, the world had been amazed by accounts of the energy creating properties ascribed to a plant intimately associated with the rites and customs of the ancient Peruvians, and first made known through the chroniclers of Spanish conquest in America. The history of this plant, known as Coca, is the history of the Incan race and is entwined throughout the associations of the vast socialistic Empire of those early people of Peru. The characteristics and botanical peculiarities of Coca, and

the economic uses of plants of the family to which it belongs are described, and an effort is made to harmonize the early uses of the substance -- which are now shown to be of necessity, and not of luxury -- with its present employment, through facts of modern physiology. No effort has been made to make this work in any sense a book of Coca therapy, but a study of the early necessities and the hypothesis here advanced as to the rationale of its empirical uses will doubtless be ample to impress the true status of Coca, and will suggest its application in the affairs of modern life for conditions similar to those which originally demanded.

Why I Wore Lipstick to My Mastectomy Geralyn Lucas 2014-04-01 "A bold memoir" of one young woman's courageous battle with breast cancer--the basis for the Emmy-nominated Lifetime movie starring Sarah Chalke (People). Having recently graduated from Columbia Journalism School and landed her dream job at 20/20, the last thing twenty-seven-year-old Geralyn expects to hear is a breast cancer diagnosis. And there is one part of the diagnosis that no one will discuss with her: what it means to be a young woman with cancer in a beauty-obsessed culture. Trying to find herself while losing her vibrancy and her looks, Geralyn embarks on a road of self-acceptance that will inspire all women. Although her story is explicitly about a period of time when she was driven by fear and uncertainty, Geralyn managed a transformation that will encourage all women under siege to discover their own courage and beauty. The important and outrageous lessons of Why I Wore Lipstick come fast and furious with the same gusto that Geralyn has learned to bring to every aspect of her life.
